## 5 Amazing WordPress Forms You Can Use

Forms - the absolute critical piece of any website. You better have a good one, else you know your customers won't be happy! Here's I've listed the top 5 WordPress forms I've used and love it. Highly recommended!

Ninja Forms

Formidable Pro

Caldera

OptinMonster

You know as much as I hate to pick up a favorite from anything, but Gravity Forms is something everybody needs to check out!
