

35 Minute Full Body Workout: Rowing Playlist

Pressed for time? Can't stand being in the gym very long? Get inspired with this rowing playlist and the pace recommendations for a full body workout. Use the beats to push your cardio intensity by rowing at up to 35 strokes per minute. Slow down anytime you want (never suddenly stop--always keep your feet moving and head above your heart) as you're building your stamina and endurance.

Warm It Up (3:54)
