

Healing Ginger-Turmeric Tonic

Just a handful of ingredients make this delicious tea great for colds, digestive issues, detox days and anti-inflammatory needs.

INGREDIENTS

- ☐ 2-3 fingers of ginger root
- ☐ 2 fingers (small) of turmeric root
- ☐ Fresh mint leaves (small bunch, at least leaves)
- ☐ 1 lime, juiced or squeezed
- ☐ 1/4-1/2 tsp. raw camu camu powder
- ☐ 1 qt. purified water

DIRECTIONS

- ☐ Peel ginger and turmeric root fingers.
- ☐ Pour 1 qt. purified water into pot, place on stove and turn up to medium heat
- ☐ Add ginger and turmeric, bring to boil for 5 minutes.
- ☐ Turn down heat and let simmer for 15-20 minutes.
- ☐ Turn off heat. Add mint leaves. Let stand to cool down. Strain into bowl or mason jar(s).
- ☐ Mix in fresh lime juice and camu camu powder. Sip at lukewarm to room temp with a mint leaf and/or add honey if desired.

BENEFITS

- ☐ Ginger - calms coughing, soothes the tummy!
 - ☐ Turmeric - anti-inflammatory, anti-oxidant
 - ☐ Mint - boosts respiratory health, aids digestion
 - ☐ Lime - expectorant
 - ☐ Camu Camu - packed with Vitamin C, potassium. Boosts the immune system and prevents viral infection.
